Who Should Take This Class?

Are you interested in becoming a Dive Professional, or would simply like to learn more about the physics and physiology of diving? If so, this is the perfect class for you.

Class Description:

Science of Diving is a 2-day class. The SSI Training Class addresses all the areas of diving knowledge in a detailed and comprehensive manner: Physics, Physiology, Decompression Theory, Aquatic Environment, and Diving Equipment. If you are simply interested in diving or plan to become a Dive Professional - the Science of Diving program is what you need!

Prerequisite:

You must be at least 10 years old.

Where:

The classroom sessions will be held at Mermet Springs.

What Do I Need to Bring:

You will need a calculator, your digital dive tables, and a writing notepad.

Training Materials:

Upon making a deposit for this program, you will have access to your digital training program on your MYSSI App or when you log in at www.divessi.com. You must complete all quizzes with a score of 100% before you arrive for class. We will track your progress and print your diploma as proof of completion before you arrive. There will be a multiple-choice exam at the end of the classroom portion. **You must pass the final exam with a score of 80% or higher.**

Training Dives:

This is a diving knowledge specialty program and no training dives are required.

Class Fees:

Total cost for the class is $279.00:

- $229 includes your instruction, instructor fees, & entry into our facility.
- $50 pays for your digital home study program, certification fees, your digital certification card, certification card, and diploma

To Sign-Up:

Purchase your training materials & make a $100 deposit to hold your place in class.

Note: There will be a $50 rescheduling fee for anyone canceling a class with less than a 7-day notice.
